SPONSORSHIP PLANS 2024

Bayside Christian College is proud to now release the Sponsorship Plans available for the Bayside Barracudas Rugby League program.

Launched in July of 2023, the Bayside Barracudas Rugby League Program is already the most elite and sought-after sporting program both in the College, and in the Fraser Coast Region. With applications exceeding 200% that of program capacity, this program has selected only the finest of young athletes, both boys and girls, from Year 6-8 to lead the inaugural year of the program in 2024.

This program is designed to develop truly outstanding leaders, ambassadors, and players of the game. Students fortunate to be selected will do far more than merely play rugby league. They learn about themselves, to grow in their leadership strength and potential, develop an inward confidence and strength to live life well, to avoid the many pitfalls that others fall into, and to develop their thinking about the game, enhance their skills to enable them to play at their very best, and will develop strategies and understandings about wellbeing, personal health and nutrition.

Students admitted to the program will be provided with a personal Academic Mentor in addition to the normal pastoral structures found within Bayside Christian College to ensure they are receiving the very best support academically.

The Bayside Barracudas Rugby League Program is proud to have the Dolphins NRL team and the Hervey Bay Seagulls Rugby League Club as our Patron and Team Sponsors. Their involvement in the collaboration of player development and coaching, will ensure broad exposure for the players within the program and opportunities for growth and development.

The Bayside Barracudas Rugby League Club are now offering A LIMITED number of Sponsorship Packages for the program in 2024. Please contact the Principal/CEO of the College directly on to secure a Sponsorship Plan.

Details of all available Plans as of this date are contained overleaf.

We look forward to you joining the most sought after, promising, and elite Rugby League Program on the Fraser Coast.
